It's hard to believe, but Meals on Wheels of Northwest Indiana has announced with extreme gratitude and pride that they honor the American Culinary Federation Chefs of Northwest Indiana for the 10th consecutive year that this extraordinary chapter has donated its time, talents and treasure to help those less fortunate.

Once again they will pull out all the stops to make a memorable meal at the Dine with the Chefs event Feb. 27 at Avalon Manor in Hobart.

Tickets are \$100 and corporate sponsorships are still available. For tickets or information on donating a silent auction item or sponsoring a table, call **Tula Gogolak**, director of Community Relations and Development, at (219) 756-3663 or e-mail tula@MealsOnWheelsNWIndiana.org.

More about this elegant Sunday afternoon, the participating chefs and perhaps a sneak preview of some of the delights they will be serving will be in next week's column.
